12VAC35-190-10. Definitions.

The following words and terms when used in this chapter shall have the following meanings unless the context clearly indicates otherwise:

"Admission" means placement of an individual in a residential facility for individuals with mental retardation as defined in this chapter so that the facility becomes the individual's primary locus of care, treatment, and training.

"Case management community services board (CSB)" means a citizens board established pursuant to '37.1-195 of the Code of Virginia that serves the area in which an adult resides or in which a minor's parent, guardian or legally authorized representative resides. The case management CSB is responsible for case management, liaison with the facility when an individual is admitted to a state training center, and predischarge planning. If an individual, or the parents, guardian or legally authorized representative on behalf of an individual, chooses to reside in a different locality after the individual's discharge from the facility, the community services board serving that locality becomes the case management CSB and works with the original case management CSB, the individual receiving services and the state facility to effect a smooth transition and discharge.

"Commissioner" means the Commissioner of the Department of Mental Health, Mental Retardation and Substance Abuse Services.

"Discharge plan" or "predischarge plan" means a written plan prepared by the case management CSB in consultation with the state facility pursuant to '37.1-197.1 of the Code of Virginia. This plan is prepared when the individual is admitted to the facility and documents the planning for services after discharge.

"Facility" means a state training center for individuals with mental retardation under the supervision and management of the Commissioner of the Department of Mental Health, Mental Retardation and Substance Abuse Services.

"Guardian" means:

For Minors—An adult who is either appointed by the court as a legal guardian of said minor or exercises the rights and responsibilities of legal custody by delegation from a biological or adoptive parent, upon provisional adoption or otherwise by operation of law.

For Adults—a person appointed by the court who is responsible for the personal affairs of an incapacitated adult under the order of appointment. The responsibilities may include making decisions regarding the individual's support, care, health, safety, habilitation, education and therapeutic treatment. Refer to definition of "incapacitated person" at '37.1-134.6 of the Code of Virginia.

"Legally authorized representative" means a person permitted by law or regulations to give informed consent for disclosure of information and give informed consent to treatment, including medical treatment and participation in human research on behalf of an individual who lacks the mental capacity to make these decisions.

"Mental retardation" means substantial subaverage general intellectual functioning which originates during the developmental period and is associated with impairment in adaptive behavior.

The prescreening report shall include at a minimum:

7. A completed discharge plan outlining the services to be provided upon discharge and anticipated date of discharge.

12VAC35-190-30. Determination of suitability for admission.

A. Within 30 working days from the receipt of the completed prescreening report, the director of the facility, or his designee, shall notify the case management CSB in writing of the determination on the admission request.

- B. Determination of suitability for admission by the director shall be based upon the following criteria and shall be so stated in his written decision:
- 1. The individual has a primary diagnosis of mental retardation;
- 2. The diagnosis of mental retardation has been made by an interdisciplinary team of qualified mental retardation professionals upon review of the completed prescreening report; and

12VAC35-190-41. Requests for reconsideration of the director's determination.

In the event that (i) the case management CSB making the request for admission, or (ii) a person seeking admission to a facility, disagrees with the determination of the director, the CSB, or person seeking admission, or both may request a reconsideration of the determination by submitting a request in writing to the commissioner within 10 days of receiving such determination. Upon receipt of a request for reconsideration, the commissioner shall notify the facility director and the facility director shall forward the prescreening report package and related information to the commissioner within 48 hours. The commissioner shall also provide an opportunity for the person requesting reconsideration to submit for review any additional information or reasons why the admission should be approved. The commissioner shall render a written decision on the request for reconsideration within 30 calendar days of the receipt of the request and notify all involved parties. The commissioner's decision shall be binding.
